1. Call to order and recording of attendance.
2. Discussion of bid packages for new track facility and motion to award bid.

We received 4 bid packages for a new track facility. With our rubric grading, the leading bids were Hellas with 83 points and Vibra World with 76 points.

The bid package from Precision Sports was incomplete, and their references were not pleased with work performed. Hellas listed 33 track facilities that they installed in Oklahoma in the last 5 years. We visited with 4 references that were happy with the product and service provided. Two references for Vibra World could not be reached. A Third reference for Vibra World said that Vibra World resurfaced their track 3 times in 17 years, and the quality of the recent work had declined compared to years past. Beynon was the highest bid, but only included 2 of 7 items we requested in the bid package.

Motion to award track bid to Hellas Construction. This motion, made by Linda Burckhalter and seconded by Bob Carey, passed.
