Sweetwater is Getting Extra!

By: Cara Grant

While we are a small school of 132 students, Sweetwater School offers new and interesting extracurricular activities to its students. Some of these extracurricular activities started up this week.

Some of these activities include:

- Elementary/JH Chess Club
- Elementary/JH/HS Academic Team
- 4H

On September 8, 2017, the chess club, the HS academic team, and 4H had their first meetings of the school year! The HS academic team had their first practice in Mrs. Gurley's room immediately after school. The chess club met in Mrs. Richardson's room also after school, and the 4H team met in the multi with Mrs. Kennedy. The JH/Elementary academic team had their first practice on September 9.

I spoke with Hanna Hill about this year's academic team, and she said, "I'm really excited about our upcoming season." The high school academic team will meet every Wednesday after school, as will the chess club. The elementary/JH academic team will meet every Thursday. If you would like to join the academic team, you can speak with Mrs. Gurley, and if you would like to join chess club, you can talk to Mrs. Richardson. For information on 4H, including the meeting schedule, speak with Mrs. Kennedy. Everyone is welcome and encouraged to join any of these organizations!
